This certificate has been issued in accordance with the EmpowerLogic Verification Certificate Policy. EmpowerLogic uses the Law Trust advanced electronic signature system (AeSign) which is compliant with the Electronic Communications and Transactions Act no 25 of 2002. If the certificate is in original Adobe file format as opposed to a scanned pdf format, then the advanced electronic signature and signature details will be visible under the "Signature Panel". Should a "Signature validity unknown" message display then press Ctrl + K simultaneously, from the menu select Trust Manager and select the update now option for both AATL and EUTL. Should this menu not be available then install the latest version of Adobe Acrobat Reader.
